

COMUNICADO OFICIAL

OFFICIAL COMMUNICATION

Guadalajara Jalisco; November 7, 2022 (LAMP). -

To all our fans:

We deeply regret having to inform you that for contractual reasons the decision has been made to suspend the series between Yaquis de Obregón and Águilas de Mexicali to be held in the City of Tucson on Nov 11-12-13 of this year.

We apologize on behalf of the teams for any inconvenience this may cause our fans.

We are convinced that the internationalization of the League is very important for our future growth, however, this first attempt could not be carried out in a favorable way for the parties involved.

We will continue working so that our fans can experience the best baseball in Mexico with their favorite teams. More details will be provided this Thursday 11/10 at 1:30 at Kino Stadium press box by Rene Rodriguez, Yaquis de Obregon President, and Carlos Manrique, President of Liga ARCO Mexicana del Pacifico.

We appreciate your understanding.
